Portfolio: <https://andyft.github.io/Andrea-Fontana-react-portfolio/>

A passionate Front-End Development student in the UK, transitioning from a successful career in Human Resources. My strong background in customer service, problem-solving, and communication fuels my dedication to creating user-centric web experiences. I'm a detail-oriented quick learner, actively building my expertise in HTML, CSS, JavaScript, and related technologies. Let's collaborate and contribute my skills to dynamic web projects!

## TECHNICAL SKILLS

JavaScript, CSS3, HTML5, GitHub, React, Node, JQuery, Bootstrap, OOP (Object-oriented programming), Responsive Web Design, JSON, APIs, Test-Driven Development, Vite, Day.js.

## SOFT SKILLS

Communication, teamwork, problem-solving, attention to details, project management, conflict resolution, remote work, quick learner.

## PROJECTS

### **React Portfolio | [github.com/AndyFt/Andrea-Fontana-react-portfolio](https://github.com/AndyFt/Andrea-Fontana-react-portfolio)**

- Role: Front end bootcamp project
- Tools: HTML, CSS, JavaScript, React, Bootstrap, Vite, Node, GitHub.

### **Team Profile Generator | [github.com/AndyFt/team-profile-generator](https://github.com/AndyFt/team-profile-generator) | [andyft.github.io/team-profile-generator/](https://andyft.github.io/team-profile-generator/)**

- Summary: Accessed through the command-line, the app creates a webpage that displays the development team information. It collects and organizes data for all team members, including managers, engineers, and interns.
- Role: Front end bootcamp project
- Tools: HTML, CSS, JavaScript, Node.js, Inquirer, Jest.

### **Work Day Scheduler | [github.com/AndyFt/work-day-scheduler](https://github.com/AndyFt/work-day-scheduler) | [andyft.github.io/work-day-scheduler/](https://andyft.github.io/work-day-scheduler/)**

- Summary: Single-page web application (SPA) built with HTML, CSS, and JavaScript powered by jQuery for dynamic content updates. The interface automatically updates to reflect past, present, and future hours, utilizing color-coding for visual clarity.
- Role: Front end bootcamp project
- Tools: HTML, CSS, JavaScript, jQuery, Day.js, Bootstrap.

**WeatherApp | [github.com/AndyFt/weather-dashboard](https://github.com/AndyFt/weather-dashboard) | [andyft.github.io/weather-dashboard/](https://andyft.github.io/weather-dashboard/)**

- Summary: Weather app that provides current and future weather forecasts in cities.
- Role: Front end bootcamp project
- Tools: HTML, CSS, JavaScript, jQuery, Day.js, API.

**Friends Quiz | [github.com/AndyFt/andrea-fontana-friends-quiz/](https://github.com/AndyFt/andrea-fontana-friends-quiz/) | [andyft.github.io/andrea-fontana-friends-quiz/](https://andyft.github.io/andrea-fontana-friends-quiz/)**

- Summary: Interactive Friends quiz challenge with multiple-choice questions and 60 seconds timer.
- Role: Front end bootcamp project
- Tools: HTML, CSS, JavaScript.

## **EXPERIENCE**

**Social Media Specialist | Conduent (09/2021 - 08/2023)**

- User experience: Analyzed user feedback and trends to optimize social media content.
- Problem-solving: Troubleshooted user issues and identified bugs, resulting in improved user satisfaction.
- Communication: Maintained a consistent brand voice while providing clear and concise support across various social media platforms.

**Freelance Translator & Journalist (02/2006 - PRESENT)**

- Content creation and editing: Managed and edited content for social media profiles and websites, demonstrating strong attention to detail and writing skills.
- Technical proficiency: Translated complex documents and website content from English to Portuguese, showcasing an understanding of information structure and clarity.

## **EDUCATION**

**Bootcamp, Front End Web Development** – edX / The University of Birmingham, UK

**MBA: Human Resources Management** – Universidade Paulista, Brasil

**Bachelor of Arts in Journalism** – Universidade Santa Cecília, Brasil
